Warranty	2-year international warranty
Options	128 MB Memory Expansion (PA3126U-1M12), 256 MB Memory Expansion (PA3127U-1M25), 512 MB Memory Expansion (PA3164U-1M51), Universal AC Adapter (PA3165E-1ACA), Battery Pack (PA3166U-1BRS)

[1] to be applied in countries where it is approved [2] Battery life may vary depending on applications, power management settings and features utilized. Recharge time varies depending on usage. Battery may not charge while computer is consuming full power. After a period of time, rechargeable batteries will lose ability to perform at original capacity and will need to be replaced. This is normal for all batteries. To purchase a new battery pack, search our database for information that is specific to your computer or visit the Toshiba web site at computers.toshiba-europe.com.

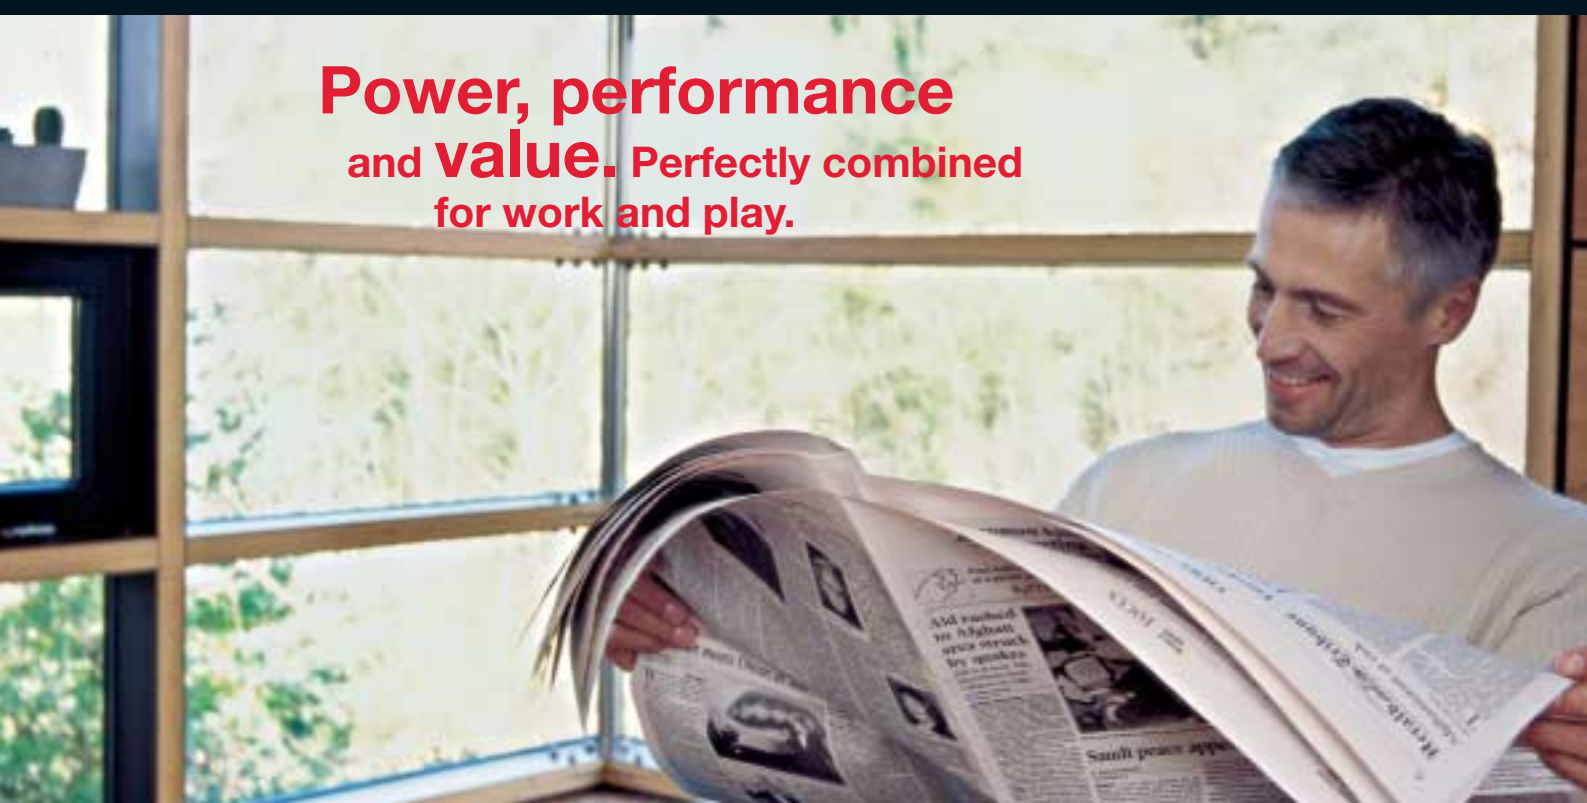
TOSHIBA

TOSHIBA



These high-powered portables make anything possible, from surfing the net to video streaming, listening to music, burning CDs or playing the latest games. Cutting-edge technology, brilliant multimedia entertainment, extensive on-board communications, plus an affordable price, mean Satellite 1900 notebooks have exactly what it takes to meet the demands of today's PC users.

Satellite 1900

Power up your life

The stunning Satellite 1900 series puts state-of-the-art processing power in your hands. These groundbraking systems feature the Intel® Pentium® 4 processor running at 2.0 GHz, delivering power and speed to tackle any task. You will find the difference astonishing! Supported by 256 MB DDR RAM and 30 GB HDD, they stroll through multi-tasking, video streaming, image processing, 3D multimedia and games. All in a fantastic value-for-money package.

Stay connected

When you're taking your notebook with you wherever you go, it's good to know you can connect anywhere. A built-in modem gives you email and the Internet on the move, a built-in antenna supplies WLAN functionality, while integrated LAN links you instantly to office networks. Fast InfraRed synchronises data with your PDA, mobile phone or printer.

Start your digital lifestyle

Welcome to a fabulous world of digital media entertainment! The CD-RW/DVD-ROM combo drive is perfect for playing DVD movies or burning your own music CDs. Use the TV-out port to connect to a TV screen, and you've got a great platform for interactive gaming, presentations or watching films. Excellent sound and leading-edge graphics adaptors ensure a brilliant home theatre experience.

Look good, feel good

Run your hands over the case and get a feel for the Satellite 1900. Note the ultra-stylish design that turns heads. Admire the innovative features – such as the ingenious wrap-around stereo speakers that deliver impressive front and rear-firing sound. Experience the extra-wide palm rest with Touch Pad that makes these superb notebooks so easy and comfortable to use. These are beautifully designed PCs, both inside and out.

Making life simple

Satellite 1900 notebooks are built to run your life effortlessly. All-in-one hardware – integrated CD-RW/DVD-ROM, hard disk and floppy drive – means they're incredibly versatile. All the latest, most useful software is pre-installed, including Windows® XP Home Edition and Microsoft® Works Suite 2002. Create photo libraries, manage your personal finances, write letters and emails and edit movies. These portable powerhouses do it all.
